

116TH CONGRESS
2D SESSION

H. R. 8436

To prohibit discrimination in health care and require the provision of equitable health care, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 29, 2020

Mr. SCHIFF (for himself, Ms. BASS, Mr. GRIJALVA, Mr. COOPER, Mrs. HAYES, Mr. KHANNA, Ms. SCANLON, Ms. NORTON, and Ms. LEE of California) introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Committee on Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To prohibit discrimination in health care and require the provision of equitable health care, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Equal Health Care
5 for All Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) In 1966, Martin Luther King, Jr., said, “Of
2 all the forms of inequality, injustice in health care
3 is the most shocking and inhuman because it often
4 results in physical death.”.

5 (2) Inequality in health care remains a per-
6 sistent and devastating reality for many commu-
7 nities, but, in particular, communities of color.

8 (3) Unequal health care has complex causes,
9 many stemming from systemic inequality in access
10 to health care, housing, nutrition, economic oppor-
11 tunity, education, and other factors.

12 (4) Health care outcomes for African-American
13 communities in particular lag far behind those of the
14 population as a whole.

15 (5) Dr. Anthony Fauci, director of the National
16 Institute of Allergy and Infectious Diseases, said on
17 April 7, 2020, the coronavirus outbreak is “shining
18 a bright light” on “unacceptable” health disparities
19 in the African-American community.

20 (6) A contributing factor in health disparities is
21 explicit and implicit bias in the delivery of health
22 care, resulting in inferior care and poorer outcomes
23 for some patients on the basis of race or ethnicity.

24 (7) The Institute of Medicine issued a report in
25 2002 titled “Unequal Treatment”, finding that ra-

1 cial and ethnic minorities receive lower-quality
2 health care than Whites do, even when insurance
3 status, income, age, and severity of condition is com-
4 parable.

5 (8) Just as Congress has sought to eliminate
6 bias, both explicit and implicit, in employment, hous-
7 ing, and other parts of our society, the elimination
8 of bias and the legacy of structural racism in health
9 care is of paramount importance.

10 **SEC. 3. DATA COLLECTION AND REPORTING.**

11 (a) REQUIRED REPORTING.—

12 (1) IN GENERAL.—The Secretary of Health and
13 Human Services, in consultation with Director of the
14 National Institutes of Health, the Director of the
15 Centers for Medicare & Medicaid Services, the Di-
16 rector of the Agency for Healthcare Research and
17 Quality, the Deputy Assistant Secretary for Minority
18 Health, and the Director of the National Center for
19 Health Statistics, shall by regulation require all
20 health care providers and facilities that are required
21 under other provisions of law to report data on
22 health outcomes to the Department of Health and
23 Human Services to disaggregate such data by demo-
24 graphic characteristics, including by race, ethnicity,
25 sex, sexual orientation, disability status, gender

1 identity, age, and any other factor that the Sec-
2 retary determines would be useful for determining a
3 pattern of inequitable health care.

4 (2) PROPOSED REGULATIONS.—Not later than
5 90 days after the date of enactment of this Act, the
6 Secretary of Health and Human Services shall issue
7 proposed regulations to carry out paragraph (1).

8 (b) REPOSITORY.—The Secretary of Health and
9 Human Services shall—

10 (1) not later than 1 year after the date of en-
11 actment of this Act, establish a repository of the
12 disaggregated data reported pursuant to subsection
13 (a);

14 (2) subject to paragraph (3), make the data in
15 such repository publicly available; and

16 (3) ensure that such repository does not contain
17 any data that is individually identifiable.

16 health care outcomes.

17 “(cc) For purposes of this sub-
18 clause, the term ‘equitable health
19 care’ refers to the principle that qual-
20 ity of care provided to an individual
21 shall not vary on account of the real
22 or perceived race, ethnicity, sex, sex-

24 der identity, or age of such indi-
25 vidual.”.

1 (b) INCLUSION OF EQUITABLE HEALTH CARE MEAS-
